

“The course is necessary fuel that every church and anyone who is serious about ministry should take. It is truly a compass for the body of Christ.”

WHAT IS KAIROS?

The Kairos course is an exciting nine lesson interactive study of the purpose and plan of God from Genesis to the end of the age.

Focusing on the **biblical**, **historical**, **strategic**, and **cultural** dimensions of missions, this course seeks to align every believer’s worldview with God’s heart for the nations and mobilize the whole Church for His global mission.

The name comes from a Greek word meaning an “appointed time” or “opportune moment.” Kairos is now a worldwide movement and we have the opportunity to partner with the global Church to see the Great Commission fulfilled.

WHERE IN THE WORLD IS KAIROS?

Kairos began in the Philippines mobilizing the church to reach nearby unreached people groups. Soon carried to other countries it grew into a global mobilization effort. Now as part of Simply Mobilizing, this movement has grown to reach nearly 100 countries in over 30 languages worldwide.

WHO IS KAIROS FOR?

Kairos is for all Christians at any point in their journey with God. It is not a missions course for missions people, but an opportunity for all God's people to have their worldview transformed and aligned with God's heart for the nations. He has called us all to play a part in His mission, and there are many different roles to fill. Kairos wants to help you catch that vision and find your place.

DESIGNED TO MULTIPLY

Through Simply Mobilizing's training pathway for Kairos, any committed Christian, with a heart to mobilize God's people, can learn to facilitate, lead the course, train others, and multiply the vision in new locations. Courses have been springing up all over through churches, small groups, organizations, and Bible colleges. ***Will your location be next?***
